IDENTITYTOLIVE
est la collection spéciale de looks
conçue par Payper pour rendre
chaque expérience authentique.

Au-delà de l'apparence, l'appartenance. Au-delà de l'extériorité, l'identité.

Dans chaque façon de s'habiller, il y a aussi une façon d'être, de vivre, de se sentir bien avec soi-même et avec les autres. Car **le style est un langage** avec lequel chacun de nous peut raconter son propre monde.

Avec les vêtements, nous pouvons nous habiller de significations et laisser une empreinte de notre personnalité. Nous pouvons refléter un

engagement professionnel, exprimer une **passion**,
communiquer un **sentiment de participation**, valoriser des liens,
jusqu'à **nous reconnaître dans un véritable uniforme**.

C'est pourquoi Payper a créé **IDENTITYTOLIVE**, une collection de looks conçue pour faciliter le choix de chaque tenue en harmonie avec les situations à vivre et à partager, en découvrant de nombreuses propositions dans des styles différents, **élégant, décontracté** ou **sportif**, qui **peuvent être caractérisées par diverses techniques de personnalisation**.

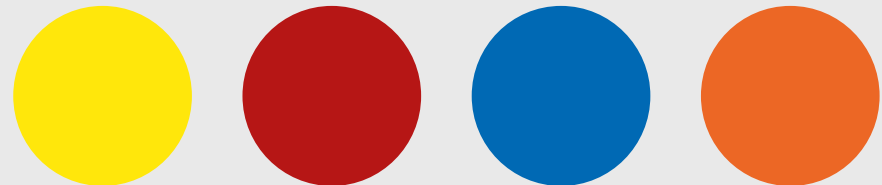

IDENTITYTOLIVE
is the special collection of looks
designed by Payper to make
every experience authentic.

Beyond appearance, belonging. Beyond aesthetics, identity.

In every way of dressing there is also a way of being, a way of living, a way of feeling good with yourselves and with others. Because **style is a language** with which we can all express our own worlds.

Through our garments we can clothe ourselves in meaning and project our personality. We can convey our **professionalism**, share a **passion**, communicate our **participation**, strengthen bonds, even **identify ourselves with a genuine uniform**.

IDENTITYTOLIVE is the collection of looks created by Payper to help us choose the right outfit for the right occasion, a wide range of solutions in different styles - **elegant, casual** or **sporty** - that **can be characterised with various customisation techniques**.

UTILISATION SUR LE WEB

ACCÈS

En cliquant sur la case dédiée de la page d'accueil ou via la section réservée du « Sélecteur de look » sur www.payperwear.com.

Aux utilisateurs les plus experts, qui possèdent ce catalogue, la deuxième option est conseillée car elle permet un choix plus rapide en affichant la liste complète des codes de Look.

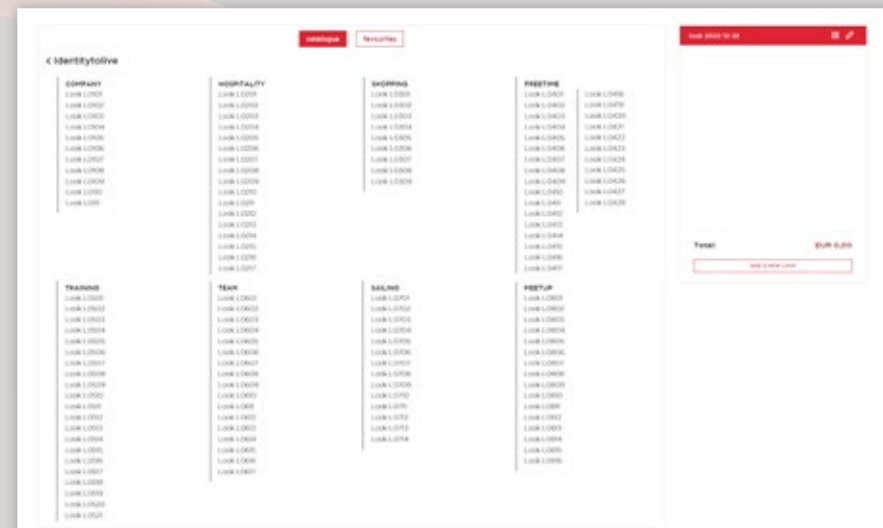

USE ON THE WEB

ACCESS

Click on the dedicated box on the homepage or through the reserved area of the “Look Selector” on www.payperwear.com.

More expert users in possession of this catalogue are advised to use the second option which allows a quicker choice as it displays the complete list of Look codes.

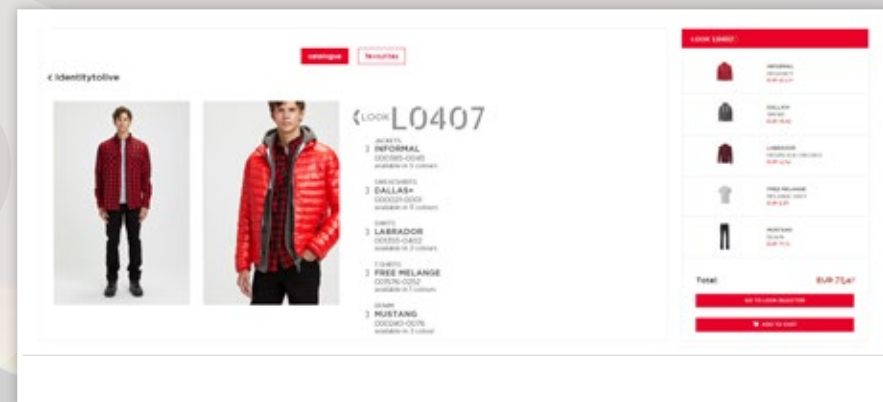

NAVIGATION

Un clic sur le code du Look choisi ouvre la page permettant à l'utilisateur de vérifier toutes les caractéristiques des produits qui composent la liste. Deux options sont ensuite possibles : passer au « Sélecteur de look », pour apporter des modifications ou établir des devis, ou bien ajouter directement au panier.

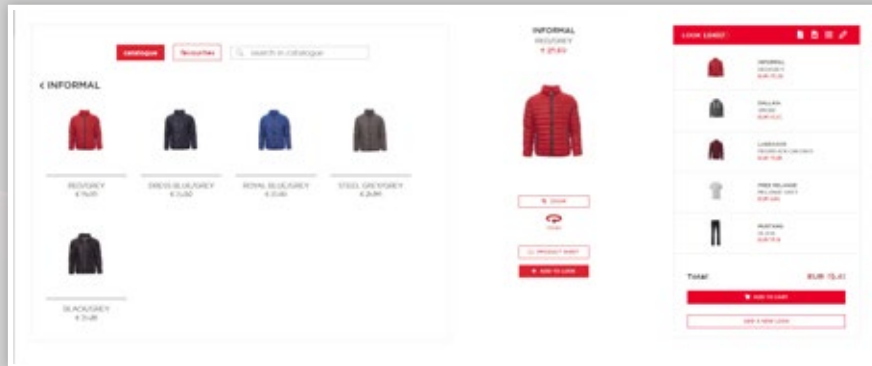

BROWSING

Clicking on the code of the chosen Look opens the page that allows the user to check all the features of the products that make up the list. You then have two options: to go to the “Look Selector”, to make changes or prepare estimates, or to add to the cart directly.

Look selector

MODIFICATIONS

Dans le « Sélecteur de look », on peut :

» **vérifier les alternatives de couleur.** En cliquant sur l'image d'un article de la liste, toutes les couleurs disponibles s'affichent.

» **vérifier les détails de l'article choisi.** En cliquant sur une couleur disponible, l'image agrandie s'affiche au centre de la page ainsi que certaines touches de fonction : « Zoom », « Pivoter », « Fiche produit » et « Ajouter au look ».

» **ajouter/éliminer des produits au/du look.**

En plus d'ajouter une autre couleur, il est possible d'insérer d'autres articles du catalogue en cliquant sur la touche « Ajouter au look ». Chaque clic correspond à l'ajout d'une ligne dans la liste. Les lignes non désirées doivent être supprimées une à une.

» **renommer le look.** Il est essentiel de renommer le « Titre du look » chaque fois que des modifications sont apportées au Look.

CHANGES

Within the "Look Selector" you can:

» **check colour alternatives.** By clicking on the image of an item in the list, all the available colours are displayed.

» **check the details of the chosen item.** By clicking on an available colour, the enlarged image and some function buttons appear in the centre of the page: "Zoom", "Rotate", "Product Sheet" and "Add to Look".

» **add/delete products to the look.**

As well as adding another colour, you can add other items from the catalogue by clicking on the "Add to look" button. Each click adds a row to the list. Unwanted rows must be deleted individually.

» **rename the look.** It is essential to rename the "Look Title" whenever changes are made to the Look.

Établir un devis est devenu très simple avec IDENTITYTOLIVE !

DEVIS

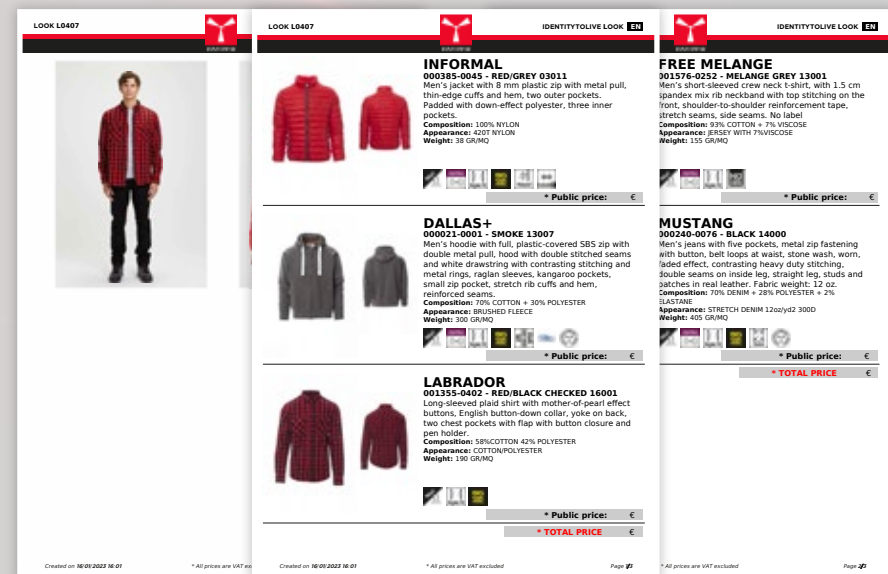

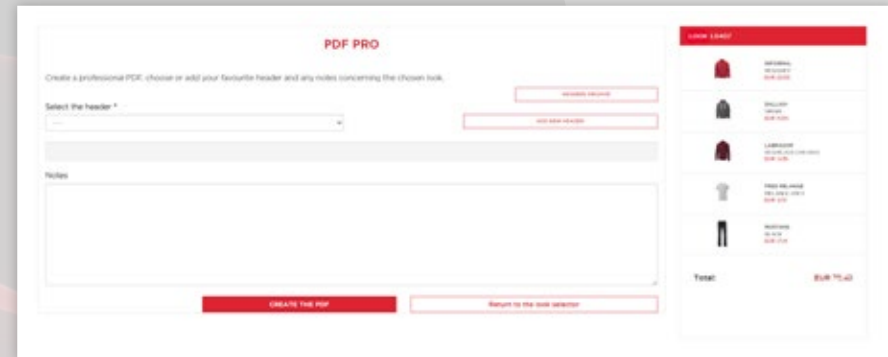

Un clic sur l'icône PDF PRO permet de générer un fichier récapitulatif comprenant : en-tête du revendeur, description des articles de la liste, prix au public en euros hors TVA, notes et photos life-style du Look. Ces photographies n'apparaîtront que si le Look original, présent dans ce catalogue, n'a pas été modifié.

Il est très important de remplir le champ de texte « Notes », qui permet d'ajouter des informations techniques ou commerciales à afficher directement sur le document en cours de création, afin de transformer cet outil en un devis complet et prêt à l'emploi !

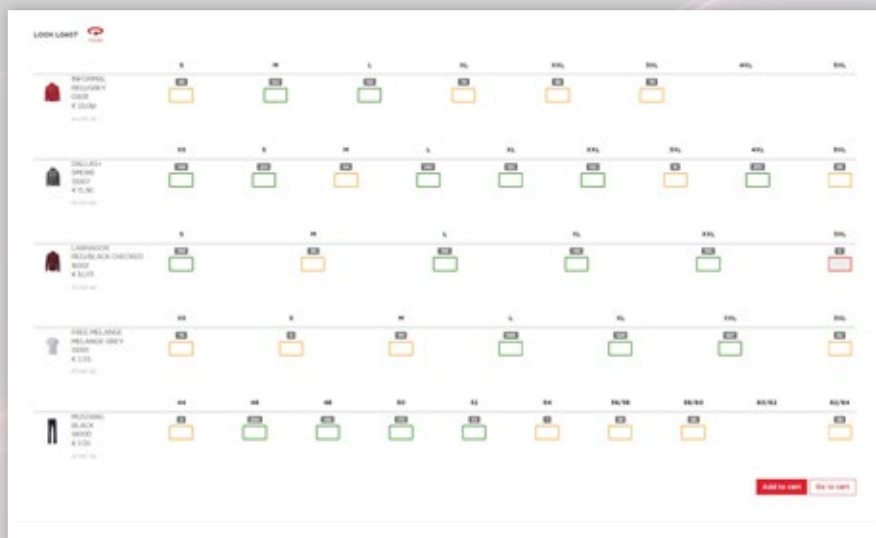

ESTIMATES

By clicking on the PDF PRO icon, a summary file is generated consisting of: retailer header, description of the items in the list, retail prices in Euro excluding VAT, notes and lifestyle images of the Look. These photographs will appear only if the original Look, present in this catalogue, has not been modified.

Filling in the "Notes" text field is crucial; there you can add technical or commercial information, to be displayed directly on the document being processed, transforming this tool into a complete and ready-to-use estimate!

Preparing an estimate
has become very simple
with IDENTITYTOLIVE!

AJOUT AU PANIER

Charger la liste d'articles d'un Look dans le panier est extrêmement facile. En cliquant sur « Ajouter au panier », l'utilisateur est dirigé vers une page dédiée indiquant les disponibilités immédiates par taille de chacun des articles qui composent le Look. Après avoir sélectionné les quantités requises, il faut cliquer sur « Ajouter au panier » puis sur « Aller au panier » pour accéder à la section réservée aux commandes.

ADD TO CART

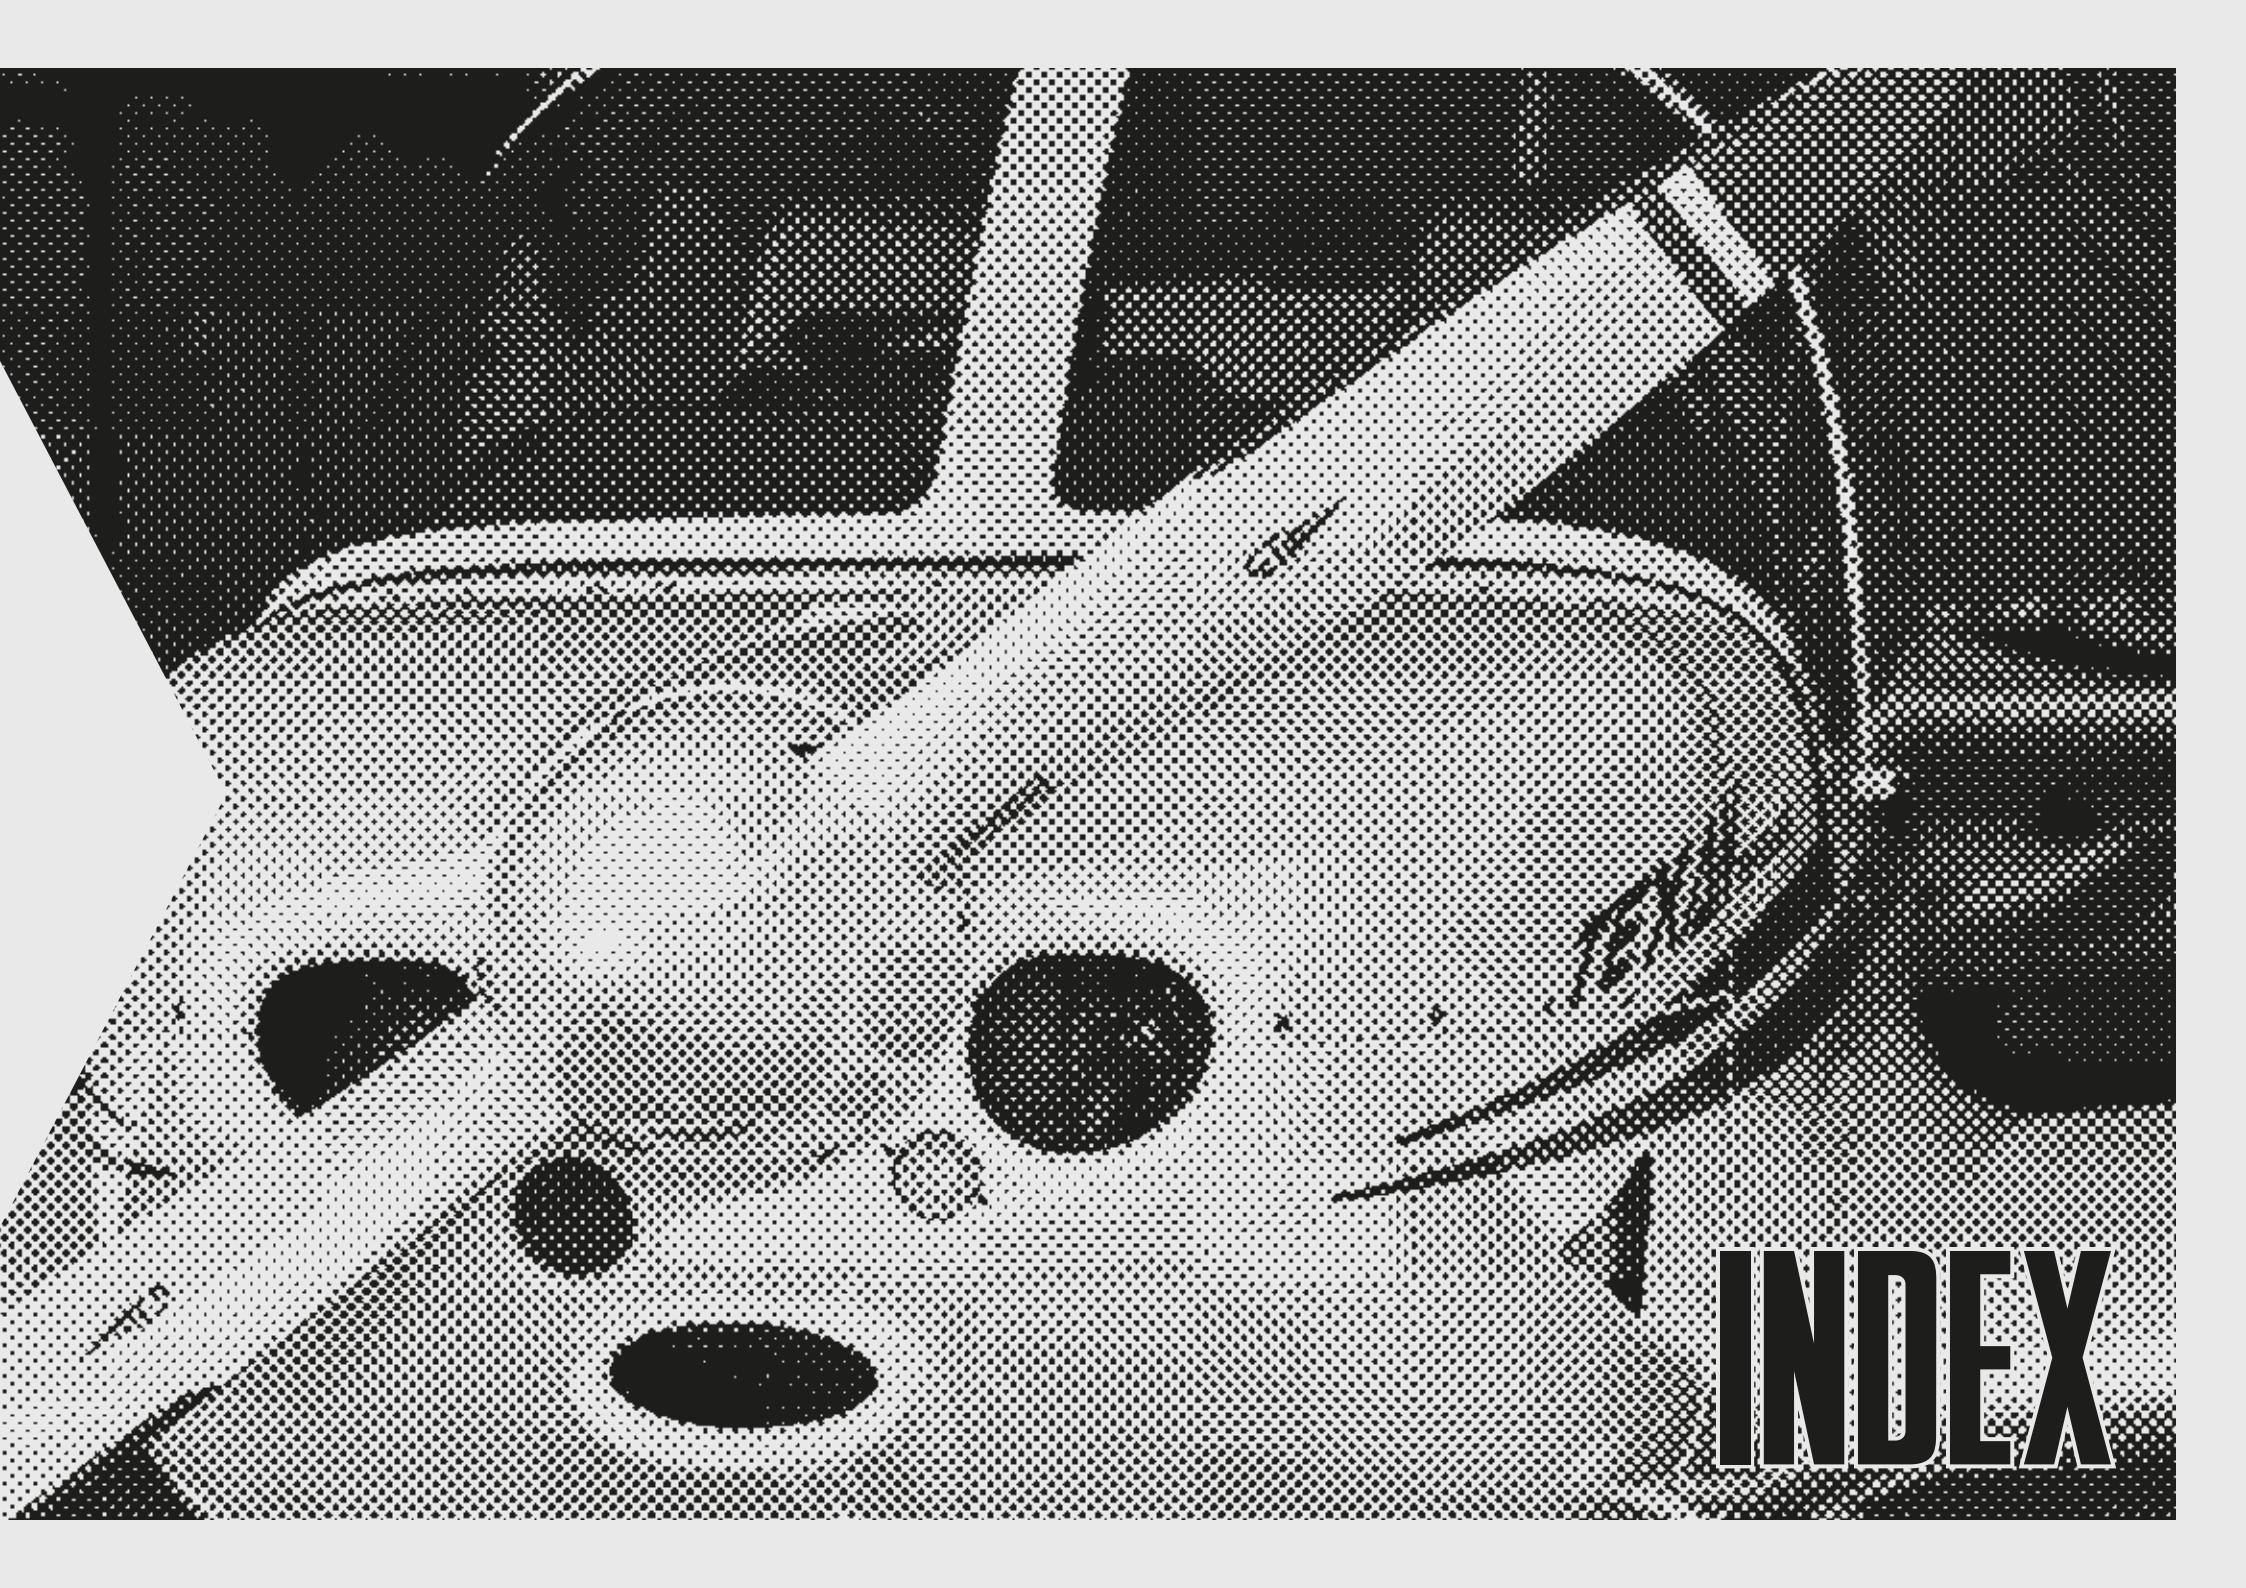

Loading the item list of a Look to the cart is extremely easy. By clicking on "Add to cart", the user is directed to a page dedicated to the immediate availability by size of each item making up the Look. Once you have selected the required quantities, click on "Add to cart" and then on "Go to cart", to enter the area reserved for orders.

III IDENTITY TOLIVE

Le point de vente est un lieu où l'on n'offre pas seulement des produits, mais aussi des expériences. Des expériences, dans lesquelles les revendeurs jouent un rôle essentiel.

Il est donc important qu'ils aient le bon habillement pour se présenter et faire en sorte que le moment de l'achat soit agréable et attrayant, en établissant un bon feeling avec les clients.

Avec un look qui les représente et qui reflète le type et la philosophie du magasin, les opérateurs peuvent donner immédiatement une bonne impression à ceux qui y entrent, en mettant en valeur leur professionnalisme grâce à un style unifié et reconnaissable.

Stores are places that offer experiences as well as products. Experiences in which retailers play a key role. It is therefore important that they wear the right clothes to present themselves and make the purchasing experience pleasant and engaging, establishing a good rapport with customers.

With a look that represents them and reflects the type and philosophy of the retail space, employees can instantly make a good impression on those who come into the shop, emphasising their professionalism through a singular, recognisable style.

III IDENTITY TO LIVE

Il y a ceux qui s'aventurent en montagne, pour s'immerger dans le blanc de la neige
ou le vert des forêts, ceux qui se détendent en pêchant,
ceux qui piaffent pour faire du cheval, ceux qui sont impatients
de s'envoler, ceux qui aiment jouer au golf et bien plus encore : chacun
de nous a ses passions auxquelles il aime consacrer son temps libre.
Un temps pour soi, à vivre avec son propre style grâce à des vêtements décontractés
ou sportifs, à la fois confortables, pratiques et cool, à porter avec désinvolture et à
choisir en fonction de ses activités préférées.

Some like to venture into the mountains, immersing themselves
in the snow or the verdant woods, others relax by going fishing or chomp at the bit
to go horse riding; some can't wait to take to the skies,
others have fun playing golf, and so on: everyone has their own
passions to which they love to dedicate their time.

Time just for yourself, to enjoy in your own style thanks to casual or sporty apparel,
comfortable, practical and on-trend at the same time, to be worn with panache and
to choose according to your favourite pastimes.

III IDENTITY TO LIVE

Dans toutes ses variantes, à tous les niveaux, le sport nécessite une tenue appropriée pour se mouvoir en liberté et s'entraîner avec style, en toute saison.

Des activités en intérieur, comme les entraînements en salles de gym ou la boxe, aux disciplines en extérieur, particulières et émergentes comme le parkour, ou plus classiques comme la course en plein air, du padel au VTT en passant par les sports sur l'eau, dans tous les domaines, le choix de l'habillement tourne autour de trois points essentiels : performances, confort et esthétique.

Et c'est là qu'entrent en jeu nos propositions pour se vêtir avec ardeur et montrer toute son énergie.

Whatever the type or level, it is important to dress appropriately when doing sport so you can move freely and train in style, in all seasons. From indoor activities, like working out in the gym or boxing, to outdoor disciplines, whether particular and emerging like parkour or traditional like running, through to padel, mountain biking and water sports, in every field the choice of kit revolves around three key aspects: performance, comfort and aesthetics.

This is where we come in with our vibrant clothing solutions that showcase all your energy.

III IDENTITY TO LIVE

Là où il y a union, cela se voit. Pour une équipe, l'uniforme est l'expression concrète du sens d'appartenance, du partage des idées, passions, principes et objectifs, d'un esprit identitaire qui unit et définit l'importance de chacun dans la relation avec le groupe.

Porter les mêmes vêtements, les mêmes couleurs et symboles est un signe de reconnaissance et un lien d'union qui renforce la cohésion, la loyauté et l'entente entre chaque membre du groupe, sur un terrain de jeu ou sur une piste de course, dans le monde réel ou virtuel, et contribue à motiver chacun pour atteindre ensemble les objectifs.

Unity is always clearly visible. For a team, the uniform is a concrete expression of a sense of belonging, of shared ideas, principles and goals, of an identifying spirit that unites and defines the importance of everyone in the relationship with the group.

Wearing the same clothes, the same colours and symbols, is a sign of identification and an adhesive that strengthens the cohesion, loyalty and understanding between individuals, on a playing field or racetrack, in the real or virtual world, contributing to motivating everyone to achieve every goal together.

III IDENTITY TO LIVE

Le bleu de l'eau dans toutes ses nuances, le blanc écumeux des vagues, le rouge du soleil couchant plongeant à l'horizon : c'est la mer, avec ses sensations infinies, qui dicte le cours du style dans cette section dédiée au monde nautique.

Une collection de vêtements intelligents, confortables, fonctionnels et soignés dans les moindres détails, pour bouger en toute liberté et avec un attrait qui ne passe pas inaperçu, tant à bord qu'à terre, lors d'une sortie en voilier, par exemple, ou en service sur un yacht ou dans un port de plaisance.

The many shades of blue of the water, the bubbly white of the waves, the red sun that ducks down below the horizon at sunset: the sea, together with its infinite sensations, dictates the style journey in this section dedicated to the nautical world.

A collection of smart, comfortable and functional garments carefully designed down to the finest of details so you can move freely and with a style that won't go unnoticed, both on board and on land, during a sailing trip, for example, or when working on a yacht or in a tourist harbour.

III IDENTITY TO LIVE

De nombreuses personnes, une seule passion. C'est l'âme des événements : on se sent sur la même longueur d'onde et on se réunit pour vivre ensemble un moment inoubliable, en écoutant le charme d'un appel.

Cela peut être le rythme de la musique en direct, qui retentit également grâce à ceux qui travaillent en coulisses, ou le vrombissement des voitures anciennes ; cela peut être les voix qui animent le divertissement dans un parc à thème ou les battements de cœur qui s'accélèrent lors d'un marathon, ou encore les chants pour l'équipe favorite : dans toutes les situations où vibre une résonance émotionnelle, les sensations partagées s'amplifient lorsqu'elles se répercutent sur des vêtements coordonnés et personnalisés.

Lots of people, one passion. This is what the best events are all about: people on the same wavelength that come together to enjoy a memorable occasion together, soaking up the evocative sounds that make it what it is. The rhythms of live music perhaps, which reverberate also thanks to those who work behind the scenes, or the roar of vintage cars; it could be the voices that bring a theme park to life, the heartbeat that quickens by participating in a marathon or the chants that fans sing for their favourite team: in every situation which vibrates with excitement, shared sensations are amplified when they reverberate on coordinated and personalised clothes.

III IDENTITY TO LIVE

Plus les éléments sont visibles, plus l'identité est forte.
Ajouter une impression ou une broderie sur un vêtement ou un uniforme est le complément idéal du processus de notoriété de la marque, car cela permet d'être reconnu au premier coup d'œil.
De plus, la personnalisation renforce le sens d'appartenance des employés d'une entreprise et/ou des membres d'une équipe, qui se sentent davantage impliqués et s'identifient à elle, à ses symboles et à ses valeurs.

The more visible the elements, the stronger the identity.
Adding a print or an embroidery to an item of clothing or a uniform is the ideal way of completing the brand awareness process as it enables you to be instantly recognisable.
Customisations also enhance the sense of belonging of employees of a company and/or members of a team, who feel more involved and identify with it, its symbols and its values.
